Winter 2011

EC Times is distributed to all chapter members for the purpose of providing a regional network to exchange information relating to erosion control. All members are encouraged to submit ideas and experience through case studies and pictures that can be shared throughout the region as well as nationally and internationally.

President's Message

Hello Pacific Northwest!

On behalf of your Board of Directors, we hope this newsletter finds you happy, healthy, and finding lots of exciting projects to work on. This will be my farewell update on the various initiatives we have underway, and I thank you for the opportunity to lead an amazing Board of Directors and vibrant Chapter. Please check out our website at www.pnwieca.org and come on out and join us at one of our events. This is your Chapter, and we certainly appreciate your feedback and your support.

All the
best,

James Kay,

President,

P.Eng, CPESC, CPSWQ
